DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Bryant E. Wade on August 02, 2004.

The application has been amended as follows:

Claim 1, line 4, change "edge portion bonded" to —edge portion directly bonded--.

Claim 1, line 11, change "on the same base material" to —on the same surface of the base material--.

Claim 2, line 4, change "edge portion bonded" to —edge portion directly bonded--.

Claim 2, line 12, change "on the same base material" to —on the same surface of the base material--.

Claim 3, line 5, change "edge portion bonded" to —edge portion directly bonded--.

Claim 5, line 5, change "edge portion bonded" to —edge portion directly bonded--.

Claim 5, line 13, change "on the same base material" to —on the same surface of the base material--.

Allowable Subject Matter

2. Claims 1-13 are allowed.

The following is an examiner's statement of reasons for allowance: the references cited disclose a flexible substrate and an electro-optical device comprising a base material, a panel substrate, first and second driver IC's mounted on the base material, and some other claimed elements. However, they do not disclose or render obvious in combination of the flexible substrate and the electro-optical device having the base material having an edge portion directly bonded to a vicinity of one side of the panel substrate, and driver controlling electronic components and the second driver IC are mounted on the same surface of the base material.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
